ABOUT SAFE GUARD FORCE

Your Security, Our Priority.

20+ Years

of industry experience

24 × 7

operational support

Safe Guard Force is a professional security services company dedicated to protecting people, property, and business assets through highly trained security personnel and modern security practices. With **over two decades of industry experience**, we deliver reliable, disciplined, and customer-focused security solutions tailored to the unique requirements of residential, commercial, industrial, and corporate establishments.

Our commitment is to deliver dependable security services with integrity, professionalism, and operational excellence — backed by rigorous personnel training, structured supervision, and full statutory compliance.

Every engagement is guided by one principle: **your security is our priority, always.**

Our Vision

To be India's most trusted security services provider by delivering reliable, professional, and customer-focused security solutions.

Our Mission

To deliver dependable security solutions through professionally trained personnel, operational excellence, and a commitment to protecting people, property, and businesses.

Mr. Shashikant Shukla

Founder & Director

SAFE GUARD FORCE

"Your Security, Our Priority."

DIRECTOR'S FOREWORD

At Safeguard Force, our people are our greatest strength. Every guard who wears our uniform carries the responsibility of protecting lives, property, and peace of mind — and I take personal pride in ensuring they are trained, disciplined, and ready for that responsibility.

Over the past two decades, we have built our reputation not on promises, but on consistent, dependable performance across every site we serve. As we grow, our commitment remains unchanged: to put your safety first, always.

Thank you for trusting Safe Guard Force with what matters most to you.

Mr. Shashikant Shukla

Founder & Director, Safe Guard Force
